Jack,

There is an H. Cesar who lives at the Winston Drive address in Cliffside Park, NJ with a telephone Number of 201-886-1612, I telephoned to see if this was the right Cesar, as the phone company has no listing in Westchester or noplac for Christian. A lady answered the phone with a very heavy accent and she said Christian is in Europe for three weeks. I did ask her if Mr. Cesar had been employed by IBM and she said yes, but he isn't at this time and that his middle name is Lenz, if I understood her correctly.
